## 7 Day North Island Tour

8th – 14th July 2018 and 19th – 25th January 2019

Sand Boarding, Cape Reinga

Meet awesome new people.

Waitomo Glow Worm Caves

Tongariro, National Park

Kayaking, Paihia

Ready for a trip of a life time, while meeting great likeminded students?

Get ready to tick off all your favourite places and activities, sand boarding, Cape Reinga at the tip of the North Island, kayaking under waterfalls in Paihia, the mysterious Waitomo Caves, beautiful Tongariro National Park and more...

Here is a summary of your epic North Island tour.

Day 1: Kayak right underneath the famous Haruru Falls near Paihia. Visit the Treaty grounds in Waitangi, probably the most important historical place in New Zealand.

Day 2: Take an action-packed day tour to the northernmost point and stand at the very top of New Zealand - Cape Reinga. Drive along Ninety Mile Beach, sand board down huge dunes and walk amongst giant kauri trees in an ancient forest.

Day 3: This is a free morning. How about swimming with dolphins or cruising to the famous Hole in the Rock? Head to Rotorua in the afternoon with the option of a Maori cultural evening and hangi meal or a late-night luge?

Day 4: This is a free day in Rotorua: There's so much to choose from, zip lining through ancient forest for instance, or a day trip to White Island Volcano, but don't worry our guides will help you organise this so you can squeeze heaps in.

Day 5: Check out some steaming mud pools and explosive geysers today before heading to Taupo for a lunch stop. Choose to bungy this afternoon or simply watch.

Day 6: Today hike (2 to 3 hours) with your guide in the beautiful National Park or choose to White Water Raft or Mountain Bike instead. Ski or snowboard in winter or take up the challenge of the legendary Tongariro Crossing in the summer.

Day 7: Explore the world-famous Waitomo Glow Worm Caves and take a rainforest walk OR choose that most epic experience, Black Water Rafting, before returning to Auckland.

All this for only \$1395
